Mission of the Month:

Clio Human Services Fund

This partnership has been instrumental in helping us impact the lives of people in OUR community. Together, we have been able to provide food backpacks on the weekends for needy students in the Clio Schools. They have supported the Food Distribution program. They are helping to coordinate volunteers to work in the schools (allowing school employees to focus on education) packing the backpacks.

They also provide resources to help residents who are struggling with financial issues (rent, utilities, etc.). Those that are in need, are screened by Love Inc. of Genesee County and then can get assistance from CHSF.

**FOOD DISTRIBUTION
Gifts Recently Given:**

**Bethany United Methodist
Fund Raising Dinner/Auction:
\$2891!**

City Revive Offering: \$3300+

These funds are being channeled through the Clio Area Ministerial Fund. We should be receiving these to fund the monthly distribution. Our present costs are around \$750 a month. These funds should cover us into 2020! That does not include other money that is given on a regular basis or designated to continue throughout the new year as well!

Nearly 60 tons of food have been distributed to nearly 4,000 people in the past 9 months! God has truly blessed and worked through this program to unite believers and meet needs!
