This month we will read through 3 letters (Ephesians, Philippians, Colossians) and start a fourth (1 Thessalonians). These books focus on key elements for our daily Christian life (relationships and living in this world for Jesus).

Let God speak to you! You will be amazed at the relevance of these letters, nearly 2000 years after they were written!

September brings a return to school for children. Many will "Meet at the Pole" for prayer this month. We need to join in praying for our schools, employees and students!

Preparations also begin for people heading south for the winter. One of our Seniors, has also recently moved in with their daughter. We are counting on Cinda, to keep us updated on how things are going with Gloria.

Pray for others and you will discover that God will draw you closer to them in countless ways.

Figure 1 "Women of the Bible" Study

We have started into the New Testament studies of Women. We would like to thank Charlene Anderson for leading the first study on: Elizabeth.

This study is quickly becoming the "longest" (most lessons) of our series.

If you want to catch up on what you have missed, or study ahead; you can! These studies can now be found on our website:

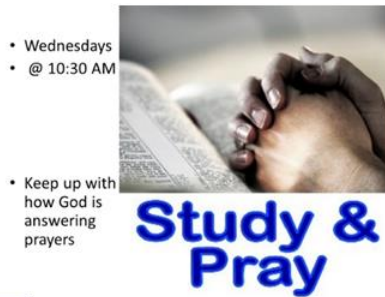

Figure 2 "Changed Lives"

Our process for selecting these lessons are:

- New Testament (people filled with Holy Spirit)
- Men (Women are being covered in our "Women of the Bible Series")

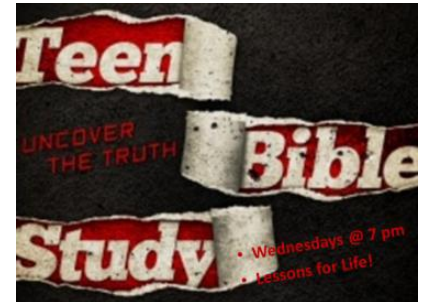

After the introductory lessons on: "Principles of Changed Lives" and "Why We need to be changed" we have studied the Apostles: Matthew, John and now Peter. It's enlightening to read about their actions during Jesus' ministry and then look at the messages they convey in their writings (John & Peter wrote from 30 to nearly 60 years after Jesus ascended). Who they once were is dramatically different from the men they became.

The world suggests that people are born the way they are and can't change. We are reading differently and more importantly can look around and seeing that God is STILL CHANGING LIVES TODAY!

We also spend time updating our prayer concerns and taking matters before God's throne.

Join us each week!

Taking Sunday messages and applying them to a teenagers life and situation is what this study is all about. For more information— see Paul!

Teen Training—  
Thursdays @ 7 pm

Cleaning, office work and more are areas where we receive help and teens can gain experience.

We will be hosting the Ministerial Association on September 13 @ 9:30 AM. They are continuing to look at seeking ways to build unity among the congregations and impact our community for Christ!
