Help for HARVEY Victims

Our hearts go out to the thousands who have lost their homes, businesses and more during the flooding in Texas and Louisiana. We have learned in the past that during such tragedies that people will take advantage of them for their own benefit. Many are those who would like to help financially, but are hesitant because of abuses.

The leadership at Pine Run Church of Christ is pleased to announce that any designated financial gift to assist "Harvey Victims" will be forwarded to IDES (International Disaster Emergency Services). Your contribution will be tax deductible. IDES will be working with LOCAL CHURCHES in the affected area to help with the distribution of aid. The resources get to the communities and are distributed by neighbors who are committed to administering God's love and mercy to those in need.

IDES has partnered with Lowell (Buddy) Mason on several projects in the past. We have also been involved with them when they sought to get water (and later water filters) to the residents of Flint at the start of the Flint water

crisis. They were very thorough in assuring that the resources would be of use, distributed in an organized manner that would be of the greatest benefit and allow for follow up to see the impact. Reports of the distribution were used to evaluate the impact of their efforts.

We will be accepting donations at this time through September 17th and will then forward the funds to IDES. We will report back on the results of their efforts.

Thank you for your concern for others and desire to help share God's love to people who are in need!
