Spiritual Journey of:

God touched my life through His Creation. Some of the most notable include:

God touched my life through spiritual mentors who taught and showed me what being a Christian was about. These people include:

God touched my life in childhood by bringing certain people into my life. This includes the following and how they touched my life:

God touched my life through blessings and experiences for which I am grateful. These include:

God touched my life and brought me to salvation through key individuals. These included:

God helped develop my prayer life through certain events. These include:

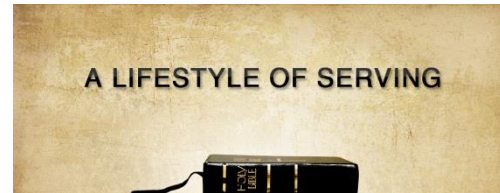

God demonstrated His power through certain events. These include:

God has touched my life through numerous ministries. These include:

God has spoken to me through His Word. Passages that have meant a great deal to me include:

God has allowed me to have a significant part in carrying out the work in His kingdom. This includes:

God has shown His faithfulness through trials in my life. These include:

God has taken faithful loved ones, who are now waiting on the other side. Ones that I am looking forward to seeing again include:

God has given me a tremendous future. What I am looking forward to includes:

I ACCEPTED JESUS AS MY SAVIOR:
