

Let God Speak to YOU!

Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

This month :

OLD TESTAMENT

As you read Jeremiah, Lamentations and Ezekiel--

REMEMBER THAT:

- God is speaking to His people
- They have become corrupt
- They need to repent
- He is about to punish
- God gives hope to faithful
- God will hold society accountable as well
- We have responsibility to share the message

ASK YOURSELF:

- What "worldly" values have we accepted
- Where do we need to change
- What hope do we find

NEW TESTAMENT

As you read through TITUS, HEBREWS, JAMES AND I PETER;

ASK YOURSELF:

- How is God equipping me?
- Do I honor the supremacy of Jesus?
- Am I trusting in God for my salvation (or my own efforts)?
- How do I handle "tough times"?
- Am I in an inspiration and encouragement to others?

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

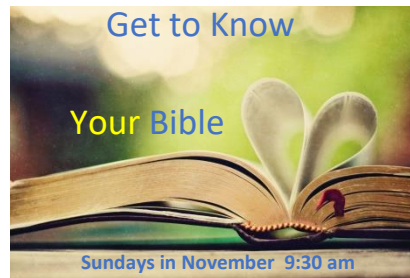

Take Time to Talk to God!

With our National Election coming up, this is a great opportunity to be

praying for our nation, leaders and voters. Remember that only GOD can lead our nation where it needs to go; so pray for HIS WILL to be done. This means Christians standing up in their communities challenging people to: Love God and Love Others. November is a great time to remember to give thanks and pray for people to help one another as we close out 2024.

Continue to pray for our local body as God provides resources, brings in people we can encourage and impact for Jesus and let our light shine in the community!

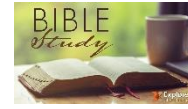

"Doing More in '24!"

Join us each week and discover more of how God works in the lives of His people. We will be focusing on God's messages through Jeremiah and Ezekiel (passages that are often less familiar). We will see God lay out the plan; see Him use "visual images" to help impress His point.

Learn more about what is happening in the lives of others in the congregation so you can pray more specifically about their situation and maybe discover that you have some insights/contacts/experiences that will help them overcome. Be reminded how God is working through this ministry to impact our community!

Come join us and remember to bring your questions with you!

Study Guides Available

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). They will help reinforce what you have read. You can bring your question with you on Sunday and we will be glad to go through it then!

Share study guides with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!)

Let God work through you to help others get into God's Word!
