

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

This month :

OLD TESTAMENT

As you read Isaiah & Jeremiah;
REMEMBER THAT:

- God is speaking to His people
- They have become corrupt
- They need to repent
- He will punish if they don't repent
- God gives hope to faithful
- God foretells much of Jesus' life and ministry
- God will hold society accountable as well

ASK YOURSELF:

- What "worldly" values have we accepted
- Where do we need to change
- What hope do we find
- What does "fulfilled prophecy" mean to my daily life?

NEW TESTAMENT

As you read through EPHESIANS, PHILIPPIANS, COLOSSIANS, THESSALONIANS AND TIMOTHY; **ASK YOURSELF:**

- How should God's teachings affect our behavior
- Where would we be without God's grace
- How can/do I show appreciation?
- How can I be more effective with others.
- How much has the world changed in the last 2,000 years
- How can the Bible be so relevant today?

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

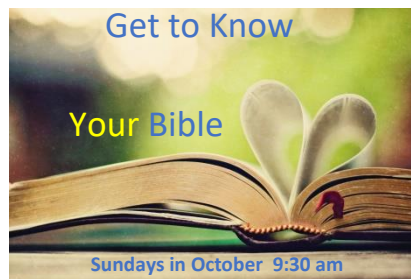

Take Time to Talk to God!

All of us deal with issues in our lives that most people don't know about. Understand that those around you need prayer. Pray for them and allow God's Spirit to express your concern and for God to act on behalf of His people. You will discover how God has:

- Provided
- Protected
- Put pieces in place

In answer to your prayers for these people. Take time to thank God for His goodness and faithfulness.

"Doing More in '24!"

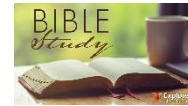

Join us each week and discover more of how God works in the lives of His people. Discover what issues God is concerned about. Identify all the nations that God is sending His message out to (God WAS reaching out to all nations in the Old Testament!). Realize that adopting "societies' values and practices will be viewed in comparison to what GOD instructs. Know that God offers His people the opportunity to repent and gives hope to the faithful.

Learn more about what is happening in the lives of others in the congregation so you can pray more specifically about their situation and

maybe discover that you have some insights/contacts/experiences that will help them overcome. Be reminded how God is working through this ministry to impact our community!

Come join us and remember to bring your questions with you!

Study Guides Available

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). They will help reinforce what you have read. You can bring your question with you on Sunday and we will be glad to go through it then!

Share study guides with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!

Let God work through you to help others get into God's Word!

GOD is at work in the lives of His people.

- God provided resources for all repairs to be made
- God is using the "Scarecrow Invasion" to make people aware of His love through our decorations along the prayer walk
- God is using us to mobilize the community more effectively for Christmas in Clio
- God is uniting believers in praise and prayer
- God is meeting needs of people **"Doing More in 2024!"**
