LEADING BY EXAMPLE

God Has blessed us so that we can be a blessing to others.

As May concluded and people sought to “remember the Fallen”, we showed the way. Christ’s Church has been honoring our Lord who gave His life for nearly 2000 years. Our displays and decorations reminded our community of those who have laid down their lives. Our yearly display was also shared at the Freedom 4 Veterans 5K Run.

In June, the community will strive to bring people together for the Clio Summer Kick-Off. We have been recruiting businesses and non-profits to put together a community event in the park on June 20, 21. We will be providing an area that will focus on our ministry and provide “Free Water” for all and crayons for the youth (coloring books are available online at our website for free).

Caring for the needy is growing in importance as well. We ceased food distributions once participation dropped to the low 200’s and other sources were in place to handle them. The economy is struggling and distributions have resumed. God

used us to bring the pieces together and about 1000 people were helped (up 33% from the highest we had experienced).

In July we will continue to encourage Christians to join together with the string of Monday Night Christian concerts at the Lowell Mason Prayer Walk Park.

By that time, our sign should have new panels and be lit again thanks to the generosity of God’s people.

What a blessing as our people are caring not only for their families, but also helping with decorations and staffing at these community events.

“Doing more in ’24!”

We promote positive behaviors that can lead to positive outcomes for personal, business, community growth and well-being!
