

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

This month :

**OLD TESTAMENT**

During June, our reading will take us through the end of the Southern Kingdom of Judah, the exile and the return of the people to the Promised Land. We will see the challenge as they try to reestablish the nation according to God’s wisdom. We will then be going into the “Wisdom Literature” as we learn about Job and how God is looking out even during trying times.

**NEW TESTAMENT**

We will finish the fourth account of Jesus’ sacrificial death and His resurrection. We will then see how God establishes the Church. It will spread from Jerusalem to Samaria and being to include the Gentiles as well.

**REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)**

**Take Time to Talk to God!**

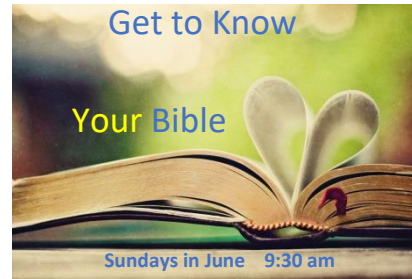

God continues to hear and answer our prayers. He is at work in our individual lives, our outreach to family members, the community and the world.

We witnessed leaders coming together to pray for our community and world this past month on the National Day of Prayer. Let us lift up our ministry and projects that we have to share Jesus’ love with others this Summer. Pray for God to use: Clio Summer Kick-Off, Christian Concerts, our growing Social Media influence and website, and connections with workers around the world. Know that God remains involved in helping us to

grow as individuals as: service, faithfulness and giving continues to increase at Pine Run.

Let’s do our part to be the leaders and light that God has called us to be!

**“Doing More in ’24!”**

Join us each week as we meet to discuss some of the less familiar passages from God’s Word. Learn how they can provide new insight of God’s will and ways.

This month we will see God’s people go through difficult times, while God continues to watch over and prepare them for a brighter future. The application to our lives will be more clearly seen.

Come join us and remember to bring your questions with you!

**Study Guides Available**

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). Take time to go through them each week. They will help reinforce what you have read. If you get “stumped” or have a question, feel free to reach out during the week by phone or email. You can also bring your question with you on Sunday and we will be glad to go through it then!

Share them with family and friends (pick up extra copies at church or take a picture of a study with your “smart phone” and send the image to others!

Let God work through you to help others get into God’s Word!

Inflation is affecting the people in our community. We see it with the increase of crime, greater demand for assistance and more businesses (including food trucks) struggling as people realize their money doesn’t go “as far” as it used to.

- ***Decorations for the “Clio Hometown Heroes” week***
