Helping
With
LIFE

**Digging
In**

As we enter may, we will be "digging in" in several areas.

GOD'S WORD

Bible studies, daily Bible Reading and online studies will be encouraged. These are helping the congregation to grow in their relationship and understanding of God.

PRAYER

Daily times of praise, thanksgiving and presenting our requests will be joined with group events. We have coordinated the National Day of Prayer events for Clio. Things will begin at 7 AM on May 2nd in the Lowell Mason Prayer Walk Park. There will be live music, along with leading people through the Prayer Walk and helping them focus on various aspects of God to praise Him for, along with reasons for thanksgiving. At Noon; we will gather in the Meeting Room at the Clio Fire House to break into groups and give thanks and present our requests for a number of areas in our society. In the evening some different congregations will offer special programs at their building.

FAMILY

Focusing on Mothers (May 12) and honoring those who have served in our Armed Forces and are no longer with us (May 26);

are just 2 of the ways that we will strive to build up our families.

COMMUNITY

We have a new "Events Tent" that will debut in May. Used for Picnic areas and special events (National Day of Prayer Program, Clio Summer Kick-Off and summer concerts) this will help us minister to our community, by making their time with us more comfortable in outdoor settings.

We are continuing to help coordinate community events for the Clio Summer Kick-off as well as preparing for our "Float Entry" for the Firemen's parade.

Continue to worship and serve with us as we us strive to be:

"Doing more in '24!"

We promote positive behaviors that can lead to positive outcomes for personal, business, community growth and well-being!
