With
LIFE

**GIVING
THANKS**

Changing times, tough times, election time, caring time, decision time, serving country, helping others, supporting schools, alone time can all present unique challenges. God calls us to GIVE THANKS and throughout November we will be focusing on how we can give thanks and WHAT we can give thanks for in these situations.

NOVEMBER

- 3 International Day of Prayer for the Persecuted Church**
- 10 Honoring our Veterans**
- 17 American Education Week Begins**
- 24 Spiritual Blessings**

Join us each Sunday for worship as we find ways to give thanks in each of these areas. Invite others to join us and if they can't find time to share with them the things God is teaching you.

We have spent this year reading through God's Word and focusing on how He works in our lives and demonstrates His love. As we close out 2024 and get ready to head into 2025; let us do all we can to help our loved ones, friends, neighbors and community learn about God and grow in their love for Him.

One of the best ways to teach is through example. Reflect on how God has worked in your life, savor the blessings you have enjoyed along the way. Share your experience with others and challenge them to discover these things for themselves.

GIVING TO OTHERS

We finish October with our emphasis on collecting Toothpaste and toothbrushes for the families and Senior Citizen recipients at the 2024 Christmas in Clio. We are glad to welcome the support of Clio Family Dentistry and Hamilton Health Care who donated dozens of toothbrushes to the cause.

At the Clio Color Run in October, we led the way to collect paper towels. Around 80+ rolls were donated!

In November, we move on to the next phase of the collection; and that is TOYS. They ask that they be valued between \$10 & \$50. They also accept books, stuffed animals and items that could be used for "Stocking Stuffers".

Scarecrows for God

Our scarecrows tell of God's love from the creation of the world, through the Old and New Testament right on up to Heaven. They are highlighted on our Lowell Mason Prayer Walk pages on our Pine Run Church website. <https://pinerunchurch.org/lowell-mason-prayer-walk-park-directory.html> along with making an appearance on the Clio Chamber of Commerce website: <https://clioareachamberofcommerce.org/2024-scarecrow-invasion/>
