With recent hurricane damage in South-Eastern United States, we have been reminded of the importance of: "Operation: 'We Care'". This mission helps provide resources to storm ravaged areas of our country.

Continue to keep Judy and family in prayer as they continue on this mission, along with the Bibles to Russia and other endeavors!

David & Dawn (Berry) Degler

A Christian Ministry in the National Parks

Work

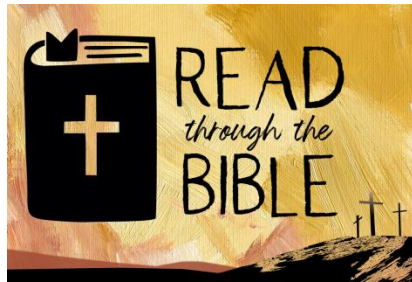

You will secure a full-time seasonal job working in the hospitality industry earning an income and engaging in relational ministry with your peers. We will help!

This Christian influence can impact co-workers as well as visitors to the National Parks. These workers will also help lead worship and Bible Studies during the week.

Be praying for those that are serving over the "winter months" at : Death Valley, Big Bend and the Everglades.

You can go to our Facebook page and watch our worship services. We try to live stream every Sunday at 10:30 am.

In November, we will continue working our way through the "Major Prophets" (Jeremiah, Lamentations and Ezekiel). Learn how God warned His people, calling them to repent; while also giving them hope through the one that He would send to redeem.

Our New Testament Reading will finish up Paul's writings and move on to the General Epistles. . Discover how the Old Testament laid the groundwork for the New Testament (Hebrews) along with basic Christian living instruction (James- Peter).

Daily Bible Reading plan is found on bookmarks in the Church foyer and is also included in our monthly Church Calendar. Join in the reading. Weekly lessons and sermons are drawn from the previous weeks reading! Remember that God's Word will "thoroughly equip you for every good work"!
