**Mission of the Month:**

**OPERATION:**  
**"WE CARE"**

God works through our supporting of missions in ways that we often fail to anticipate. For years, the congregation supported this ministry of Lowell and Judy Mason. It focuses on helping Christians in America who are hit by storms or other factors that affect entire communities. We were glad to be able to help others, through their work.

God then used this mission to help OUR COMMUNITY during the Flint water crisis. We were glad to be on the front lines, helping to distribute bottled water to homes each week in Flint. As the need for us to be on the front lines

dwindled, God brought along the Food Bank of Eastern Michigan.

This partnership was then used by good to help facilitate our starting monthly food distributions in our community (working alongside other congregations).

That partnership led to our training and helping others to learn how to do this; which they now carry on. Meanwhile, God has moved us on to laying the groundwork and impacting our leaders and businesses to be involved in improving the quality of life, growth of compassion and kindness.

God blesses those who give of themselves, far beyond what they might ever expect!
