

## Let God Speak to YOU!

*Communication is important in EVERY relationship*

This month :

### OLD TESTAMENT

As you read through PSALMS; ask yourself:

- What is God doing in MY life
- Am I afraid to share my feelings and thoughts with God
- What promises does He give me?
- What prophecies am I finding?

### As you read through PROVERBS:

- What lessons do I need to learn
- What lessons can I share

### As you read through ECCLESIASTES:

- How am I investing my life?
- Are my priorities clear to others?

### As you reach through SONG OF SONGS:

- Am I sharing how important others are to me?
- Do I appreciate the sacrifices that others make?

### As you read ISAIAH:

- Am I putting God first?
- Do I respect God?
- What are His plans for me?

### NEW TESTAMENT

As you read through CORINTHIANS, GALATIANS & EPHESIANS; ask yourself:

- What areas is He addressing in YOUR life?
- Are you: GROWING, "Maintaining" or "Losing Ground"?
- How can you help others grow closer to God?
- How is His Spirit at work in your life?

**REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)**

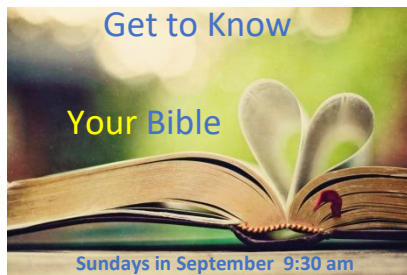

## Take Time to Talk to God!

Take time to appreciate the beauty of God's creation and then praise Him for who He is and what He's done. Give thanks for His:

- Provision
- Protection
- Guidance
- Salvation
- And more!

Make "Sweet Hour of Prayer" more than just a Hymn title, make every day a "SWEET DAY OF PRAYER!"

## "Doing More in '24!"

Join us each week as we meet and see how troubles that afflicted the church nearly 2,000 years ago are still needing to be addressed in 21<sup>st</sup> Century America. Be reminded of God's power and ability to transform lives and situations.

Learn more about what is happening in the lives of others in the congregation so you can pray more specifically about their situation and maybe discover that you have some insights/contacts/experiences that will help them overcome. Be reminded how God is working through this ministry to impact our community!

Come join us and remember to bring your questions with you!

## Study Guides Available

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). Take time to go through them each week. They will help reinforce what you have read. If you get "stumped" or have a question, feel free to reach out during the week by phone or email. You can also bring your question with you on Sunday and we will be glad to go through it then!

Share them with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!

Let God work through you to help others get into God's Word!

GOD is at work in the lives of His people.

- Your increased giving is enabling us to give more to missions
- Your involvement is helping to encourage others as they serve
- Your testimony uplifts others
- Your giving to help students was the most generous of ANY Clio congregation
- Facebook followers grew by 50%+ in August
- Businesses have been encouraged as they work with us on projects and see what God is doing
