with more work to come this Autumn.

God continues to answer prayers concerning working through the ministry to unite the community and area churches in benevolence, prayer and service.

Pray for one another as many have been dealing with losses, health issues and other challenges in their lives.

RATED PG can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

Romans covers so much “basic” material for the Christian: sin, faith, grace, baptism, Christian living, work of the Holy Spirit, and dealing with others.

I Corinthians deals with many issues that we find in society and can work their way into the local congregation: leadership struggles, questioning God’s ways, division, immorality, conflicts, marriage/divorce, world influence, attitudes, selfishness and pride to start with.

Come with your questions and comments. Know that your presence will be an encouragement to others!
