HELPING OTHERS

God has created an opportunity to share His love with over 1,000 people in Clio. August 12 from 6-8 pm; families will descend upon Pride Stadium as they celebrate "Back to School Nite" to get information, sign up, games/activities and more.

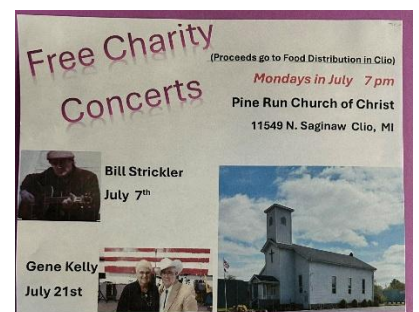

Pine Run is coordinating the area congregations in handing out free school supplies. We ask for people to donate items and then set up a display at the event and hand out to families. We also provide inspirational resources, make Bibles available, let them know of upcoming events in the area, pray and talk with them based upon their interest.

We will be setting the area up from 4-5 pm. Donated items will be brought in by the various congregations, organized and establish hand out policies from 5-6 pm. We distribute from 6-8. Tear down of the area will be from 8-8:30 pm.

We will be collecting school supplies at Pine Run through August 10th. There is a tote in the foyer by the display where you can drop off items. If you prefer

to make a monetary donation, we request that it is made by August 4th so we can get the "best deals" and avoid "last minute" shopping.

Let Paul know if you would like to volunteer to help at the event.

We praise God that He used these concerts to bring believers together, unite and help raise \$698 for food distribution in Clio. That would secure a food truck with about 11,000 lbs of food! We also give thanks for Bill Strickler and Gene Kelly (along with their friends) for bringing the music! Thanks to all the people who pitched in to get things put away after each concert! The work went fast as a result!
