& Carter Middle School

Helping  
With  
LIFE

Our love for God is best shown by loving others in His name. Welcoming believers from our community, other States and Countries to join us in worship is a blessing to us and to them. Sharing what God is doing inspires and challenges people to grow in their faith. Seeing Jesus unite believers in the common work of the Kingdom increases our drive and commitment.

We add to this our efforts to raise funds for Food Distribution through Charity concerts this month. Christians uniting in praise and worship; resulting in giving to God resources for Him to bless the needy in our community; is part of what we do.

We will be challenging God's people throughout this region to pray for God to work at transforming our communities as Christ is li

We will continue our efforts to bring business leaders, government officials from local, county and state to join together in improving the quality of life for the residents of the region. Promotion and focused attention

will make a difference in each community.

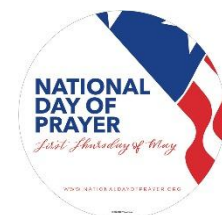

God has put (and continues to expand) the pieces in place. Now we must continue to:

- Pray for God's blessing
- Serve with His Strength
- Lift up Jesus
- Be united
- Serve faithfully

We thank God for His work, blessing and giving us the privilege of being part of this vital work! To God be the glory!

We are thankful for people willing to use their talents to: Praise, Entertain, Work with us, and raise money to help others in our community! These men have been used of God to help encourage, counsel and pray for the work of the Kingdom!

**Pray and Help us make an  
IMPACT from Flint to Saginaw  
and Beyond!**
