Remember to pray for
School Administration
& Carter Middle School

Helping
With
LIFE

Pine Run Church of Christ

God's people start with their family and friends. Praying for, setting an example, encouraging, meeting needs and teaching them God's Plan for their lives. We try and help them grow to love and serve Jesus Christ. We want to do all that we can to make sure that there will be a place prepared in heaven for them, as well.

We add to that our neighbors, co-workers and community. God's love compels us to build others up, challenge them to walk closer with the Lord and see that needs are being met. We look to food distributions, the meeting of other physical needs in our community throughout the year (Start of School, Christmas, etc.) We will be offering free Christian Concerts on Mondays in July to bring people closer to God. At those concerts, offerings will be taken to help with food distribution in our community. We participate in community events with displays to inspire, remind people of God's love, and to meet needs that people might have.

We are now building on reaching out to our region

"The Point" Newsletter

through promotion of Christians in Saginaw County praying for the work of the Kingdom through the Michigan National Day of Prayer efforts. We are also helping businesses/communities from Flint to Saginaw to be able to work together, increase sales and meet needs through the Pure Michigan ByWay.

We conclude with reaching out to the world through the Missions that we financially support along with workers in countries around the world that we encourage on a daily basis.

God has proven His ability to accomplish all this AND MORE, when people are committed to following His leading. We know that God continues to work and mold each one of us, but we rejoice in the impact that Christ's Kingdom is having!
