God keeps us safe in the midst of storms. With tornadoes going through the state, Judy experienced some limbs coming down, but nothing that did any damage! God is good.

Able to encourage her through what God is doing through Pine Run. She said, “Your small but loud”; and we both laughed as we realized that the same would have been said about Lowell, through the years!

While contacts in Russia have been difficult to make, Bibles have been making it into other countries in Asia. The missions also continue to take care of the needy in foreign countries and at home.

She has lost Lowell, her daughter Kelly, along with a couple siblings in the last couple of years. Pray for comfort and peace.

Keep Judy, Operation: We CARE and Bible to Russian in prayer daily; knowing that she prays daily for us! God hear and answer prayers strengthens the faith of all of us.

### David & Dawn (Berry) Degler **A Christian Ministry in the National Parks**

A Christian Ministry in the National Parks equips team members to share Christ’s love through work, worship, and service in the national parks. Each year ACMNP sends approximately 200-300 students and adults into about 35+ different national parks to extend Christ's love to people who work, vacation, and live in America's most beautiful and isolated places. Team members lead Sunday services of interdenominational worship in park campgrounds and amphitheaters, are employed full-time by park concession companies, engage in relational ministry while living and working among their peers, and encourage others to enjoy the great outdoors!

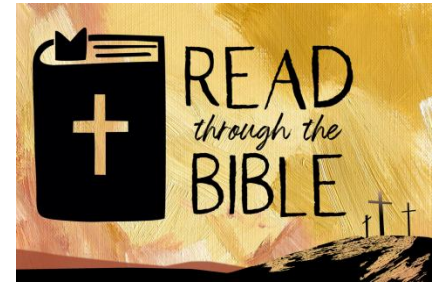

Started in 1951, they are now in their 74<sup>th</sup> year!

Pray for ACMNP Ministry!

You can go to our Facebook page and watch our worship services. We try to live stream every Sunday at 10:30 am.

Old Testament Reading will take you from the time of the divided Kingdom until it is destroyed and the people taken into captivity. Reading will continue to include the people able to return to their homeland and rebuild the temple. The reading will then change and focus on Job finding strength and learning lessons during the struggles that he faces.

New Testament reading will complete the Gospel of John and then follow the establishment of the Church, it’s growth in Jerusalem, persecution, spread of the Kingdom through Judea and Samarian and finish with the conversion of Saul!
