Take Time to Talk to God!

We finished on the National Day of Prayer with 11 of the 16 communities represented by area PRAYER WARRIORS, having programs. We now continue to work on building relationships so that we can see God increase that number.

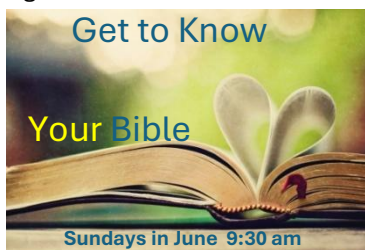

Pine Run Church of Christ

We also learned, that the company that was selected to redo our parking lot is run by an individual who is actively involved in National Day of Prayer in Saginaw County! God brings pieces together.

Pray for one another. As our impact is growing to now include the region from Flint to Saginaw, Satan is also trying to discourage our people through the health and trials of their loved ones (besides their own personal issues). Let us continue to lift up one another in prayer, and continue to pray for God to bless mightily, that Satan's influence will be decreased in the communities we live in!

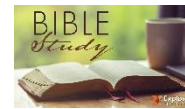

RATED PG can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

Join us to better understand these NEW Testament books. We will start each week with any questions or comments that people have from the previous weeks reading. We will then pursue that day's study. Get a better understanding of all that Jesus dealt with during His earthly ministry and how His Church learned to follow His leading. You will discover principles that will help you remain faithful and experience the VICTORY that only Jesus can provide!

Come with your questions and comments. Know that your

presence will be an encouragement to others!
