**Take Time to
Talk to God!**

We appreciate God answering our prayers for:

- Comfort to hurting families
- Provisions for schools
- Workers
- Impact on our region
- Helping Unite believers

Continue to pray for one another as God builds, strengthens and adds to the Kingdom!

RATED PG can help you develop a program that you can follow that can help you become more specific and effective in your prayer life. Meet with Paul and help develop a plan for your growth!

I & 2 Corinthians deals with many issues that we find in society and can work their way into the local congregation: leadership struggles, questioning God's ways, division, immorality, conflicts, marriage/divorce, world influence, attitudes, selfishness and pride to start with.

Paul then writes letters to the churches throughout Galatia and also to Ephesus. These will help them stay focused on Christ and see how they can be more effective workers in the Kingdom!

Come with your questions and comments. Know that your presence will be an encouragement to others!

**Study Guides
Available**

The OLD Testament Study Guides are will be made available each week and placed in the bulletin.

Share study guides with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!

Let God work through you to help others get into God's Word!
