Mission of the Month:

BIBLES TO RUSSIA

We were glad for the window of opportunity when Bibles could easily be taken into Russia. Those doors are shut at this time. Judy Mason continues to use connections to explore ways of getting them in.

Until that time comes, this project is helping to fund the sending of Bibles to other countries. We appreciate her commitment and finding ways to spread God's Word.

Part of every dollar given to Pine Run Church of Christ goes to help support our Mission works around the world (and here in our own country). Please continue to pray for these vital ministries and the workers that keep them going!

"Calm before the **STORM**..."

God is good. We were the only congregation to help with school supplies this year... therefore our resources were limited! Just as we handed out our last item, workers arrived to tell us we needed to pack up immediately because of a storm front coming. Well it came and Belinda Miller was hanging onto the tent with everything she had. God provided firefighters and others who helped us get everything taken down and then back to our vehicle! God even prevented any "destruction" to our tent from the wind!
